

BRITISH INSTITUTE OF FITTED INTERIORS SPECIALISTS

BIFIS RETAILER CONNECT: YOUR EXCLUSIVE INVITATION

BIFIS is hosting two exclusive retailer focused lunch events at kbb Birmingham, and we would like to formally invite you to join us.

Designed specifically for retailers, these invitation-only sessions will deliver insight, innovation and workable solutions for businesses with an installation proposition and those considering introducing installation into their business.

An excellent opportunity to gain an in-depth knowledge of the fitted interiors installation landscape, meet industry peers and join in the conversation in a relaxed setting away from the hustle and bustle of the show floor.
